

## Preliminary List of Exhibitors Composites Meetings 2025 - 02/09/2025

### 3A COMPOSITES AIREX AG

#### KAM Aerospace & Defense

High-performing and sustainable core materials. Pioneers in sandwich technology developing strong and solid, lightweight core materials, which allow manufacturing more durable, sustainable and energy-efficient end products for customers.

[www.3accorematerials.com/en/](http://www.3accorematerials.com/en/)

Switzerland

### 3P PRODUITS PLASTIQUES PERFORMANTS (ICM INDUSTRIE GROUP) new

#### Aeronautic Sales Manager

Design, development, manufacturing of high-performance plastic and composite solutions

[www.3pcorporate.com](http://www.3pcorporate.com)

France

### ADDCOMPOSITES OY new

#### Sales Engineer

Addcomposites provides digital automation solutions for composite manufacturing.

<http://addcomposites.com>

Finland

### AERIADES CLUSTER AÉRONAUTIQUE - SPATIAL - DÉFENSE GRAND EST

#### Administrator

Cluster leading and representing the aeronautics, space and defense sector in the Grand Est region, bringing together more than 80 members, industrialists, economic, education and innovation players.

[www.aeriades.org](http://www.aeriades.org)

France

### AFC-STAB

#### President

Molds & Models Manufacturer

[www.afc-stab.com](http://www.afc-stab.com)

France

### AIRBORNE COMPOSITES BV new

#### Business Development Manager

Advanced Automation solutions for Composite manufacturing processes

[www.airborne.com](http://www.airborne.com)

ie Netherlands

### AIRBUS ATLANTIC TECHNOCENTRE new

#### Head of the Technocentre

The Airbus Technocentre Nantes offers innovative services for: layup of composite parts, the production of composite part demonstrators, training in composite professions, repair of structural parts

<https://atlantic.airbus-technocentre.com/>

France

### AIRTECH EUROPE SARL

#### Technical Sales Manager - Western Europe & North Africa

Airtech Europe SARL is a division of Airtech Advanced Materials Group, the largest manufacturer of vacuum bagging and composite tooling materials for prepreg/autoclave, resin infusion, and wet lay-up processes up to 799°F (426°C).

[www.airtech.lu](http://www.airtech.lu)

Luxembourg

### ALTHEORA

#### Sales Director

Transformation of composite materials and polymers, European leader in the design and manufacture of new generation parts meeting current and future challenges of the industry such as low-carbon mobility and the smart city.

<https://www.altheora.com/>

France

### AMETEK SAS - DIVISION CREAFORM

#### Account Manager South-West

Design and manufacture of portable and automated 3D measurement solutions.

[www.creaform3d.com](http://www.creaform3d.com)

France

## Preliminary List of Exhibitors Composites Meetings 2025 - 02/09/2025

### AOC AG

**new**

#### Account Manager

AOC is the leading global supplier of specialty formulations and solutions which enable customers to create robust, durable, and versatile products and components for applications in Coatings and Protective Barriers, Colorants and Visual Effects, Adhesives and Specialties, and conventional Composites. With strong capabilities worldwide in manufacturing and science, the company works closely with customers to deliver unrivaled quality, service, and reliability for today and create innovative solutions for tomorrow.

<https://aocformulations.com/>

*Switzerland*

### APPLICATIONS COMPOSITES

#### Director

Production of your products in composite materials - Composite tools - Composite parts - Technical container.

[www.applicationscomposites.fr](http://www.applicationscomposites.fr)

*France*

### ARKEMA FRANCE

#### Director business development

The Arkema group offers innovative and tailor-made solutions for ever more efficient composites for aerospace, automotive, nautical, sports equipment and wind power.

[www.arkemagroup.com](http://www.arkemagroup.com)

*France*

### ARMACELL BENELUX S.C.S.

#### Business Development Manager Sales

Manufacturing, selling & marketing of PET-based foam cores for the composites industry, Producing & selling post-consume PET granules (intermedial product with the PET foam care production process)

<https://www.armacell.com/>

*Belgium*

### AVEL ROBOTICS

#### Sales Manager

Design and manufacture of composite parts in A.F.P. Assembly of composite parts. Manufacturer for the naval and aeronautical sectors. Leader in the manufacture of hydrofoils for ocean racing.

[www.avelrobotics.com](http://www.avelrobotics.com)

*France*

### AVIACOMP - SOGECLAIR

#### Head of 3D printing department

Company specializing in the design and manufacture of complex parts in composite thermoplastic.

[www.aviacomp.fr](http://www.aviacomp.fr)

*France*

### AXIOME

#### Manager

Company specializing in the design and manufacture of innovative robotic solutions in the field of industrial engineering.

[www.axiome.com](http://www.axiome.com)

*France*

### BAYAB INDUSTRIES

#### President

Scientific and industrial development of abrasive water jet machining processes, manufacturing of machining machines and robots.

[www.bayab.fr](http://www.bayab.fr)

*France*

### BENE MECANIQUE SOLUTIONS

#### Managing Director

Machining. Industrial integrator.

[www.bene-solutions.com](http://www.bene-solutions.com)

*France*

## Preliminary List of Exhibitors Composites Meetings 2025 - 02/09/2025

### BIESSE FRANCE

**new**

#### Regional Sales Manager

Systems and machines for machining wood, glass, stone, metal, plastic and composite materials for the furniture, housing and construction, automotive and aeronautics sectors.

[www.biesse.com](http://www.biesse.com)

France

### BJS COMPOSITES GMBH

#### Executive Partner & Co-founder

Ceramic fiber reinforced SiC composites components - mainly based on carbon - and SiC fibers, prototyping, small series, other ceramic materials & components - all designed for high-temperatures, high mechanical stresses and aggressive media.

[www.bjscomposites.com](http://www.bjscomposites.com)

Germany

### BODO MÖLLER CHEMIE FRANCE

#### Senior Technical Sales Manager

Distribution of technical adhesives for the "mobility" sector (transport, maritime, etc.); Composite activity: carbon fabric, Kevlar, aramid. MMA, Epoxy 1 and 2K, PU 1 and 2K adhesives, PP and PE bonding without surface preparation, etc.

[www.bm-chemie.fr](http://www.bm-chemie.fr)

France

### BORFLEX SERVICES

**new**

#### Site Director

Design and manufacturing of composite parts for all applications. We master several types of processes to meet all requirements.

[www.borflex-group.com](http://www.borflex-group.com)

France

### BÜFA COMPOSITE SYSTEMS BENELUX BV

#### Account manager Benelux & North of France

Büfa is a supplier of machinery, resins, and gelcoats. Büfa specializes in the specialty resin and gelcoat range (e.g., fireproof, railway, and marine).

[www.buefa-composites.com/fr/](http://www.buefa-composites.com/fr/)

ie Netherlands

### CARBON AXIS

**new**

#### President

Design and manufacturing of robotic fiber placement cells (AFP) and AFP effectors. Programming software for AFP process

[www.carbon-axis.com](http://www.carbon-axis.com)

France

### CARBON WATERS

**new**

#### Business developer innovation

Producer of advanced graphene-based materials and designer of performance additives

[www.carbon-waters.com](http://www.carbon-waters.com)

France

### CARPENTER SAS

#### R&D, Innovation Manager

Transformation of fibrous and cellular products. Main functions targeted: acoustics, thermal, seals, packaging, protection, cladding parts in transport

[www.carpenter.com](http://www.carpenter.com)

France

### CATO COMPOSITES

#### Business Development Manager

Manufacturing solutions for CFRTP products ranging from 1.000 up to 100.000 parts. Empowering lightness with thermoplastic composites.

[www.cato-composites.com](http://www.cato-composites.com)

ie Netherlands

### CEAD BV

#### Sales Engineer

CEAD specializes in large-scale 3D printing for industry. Since 2014, we have been developing innovative solutions for manufacturing very large parts quickly, flexibly, and precisely.

[www.ceadgroup.com](http://www.ceadgroup.com)

ie Netherlands

## Preliminary List of Exhibitors Composites Meetings 2025 - 02/09/2025

### CERO

#### SALES BUSINESS DEVELOPER

Study and production of tools for the production of composite parts

[www.cero.fr](http://www.cero.fr)

France

### CLAYENS

#### Aerospace Thermoset Industry

Specialist in the transformation of high-performance polymers, composites and precision metal parts

<https://www.clayens.com/>

France

### CETIM

#### Materials and Processes Sales Manager

French center of mechanical expertise. A major player in the deployment of the industry of the future, it is also a high-tech service ETI with international reach

[www.cetim.fr](http://www.cetim.fr)

France

### CMP COMPOSITES

new

#### CEO

A specialist in innovation in composite materials, CMP Composites develops and produces technical parts for the aeronautics, space and defense sectors, as well as for various innovative industries.

[www.cmpcomposites.fr](http://www.cmpcomposites.fr)

France

### CEVOTEC GMBH

#### Sales Manager

Lay-up automation equipment for complex composites

[www.cevotec.com](http://www.cevotec.com)

Germany

### CMS FRANCE

#### CEO

Construction of CNC machining centers for composite materials and plastics, construction of thermoforming presses and waterjet cutting centers.

[www.cms-france.fr](http://www.cms-france.fr)

France

### CHEM-TREND FRANCE S.A.S.U.

#### Technical & Composites Manager /

Chem-Trend is a world leader in high-performance release agents.

[www.chemtrend.com](http://www.chemtrend.com)

France

### CHOMARAT TEXTILES INDUSTRIES

new

#### Head of Glass Composites Activity

Technical reinforcements (glass, aramid, carbon) specially designed to meet the requirements of different composite processes in a wide variety of applications.

[www.chomarat.com](http://www.chomarat.com)

France

### COMPOSITEC

#### Sales manager

Experts in composite technologies for over 40 years, Composittec designs, manufactures and paints high-performance technical parts, combining lightness, strength and mechanical performance to meet the industrial challenges of our customers.

<https://www.composittec.eu/>

France

### COMPOSITES BUSCH SA

#### Business Development Manager Aerospace & Mobility

Busch Composites is a company of the Busch Group, a world leader in vacuum technologies. Rapid prototyping - Powder sintering - High-performance composite parts - Laser engraving.

[www.compositesbusch.ch](http://www.compositesbusch.ch)

Switzerland

## Preliminary List of Exhibitors Composites Meetings 2025 - 02/09/2025

### COMPOSITES DISTRIBUTION / GROUPE GAZECHIM

#### Aero and MRO Sales manager

High performance composite materials (silicon glass, carbon, aramid, silica fabrics)

[www.composites-distribution.com](http://www.composites-distribution.com)

France

### DAXEN

#### CEO

Manufacturing and maintenance of autoclaves. Hydraulic testing.

[www.daxen.fr](http://www.daxen.fr)

France

### CORIMATEC

#### Sales Director

Design and manufacture of tools and parts from models, plans or digital data (metal or plastic). Lorient site specializing in electroforming; Toulouse site dedicated to the manufacture of composite and silicone molds.

<https://corimatec.com/>

France

### DEMGY GROUP

#### Deputy Managing Director - Demgy Atlantique

Processor of all technical (TP-TD) and high-performance polymers. Injection of technical and appearance parts, optical injection, bi-material injection and overmolding of inserts; Machining, Stamping of thermoplastic matrix composite...

<https://www.demgy.com/fr/>

France

### CREASTYL

#### Site Director

Design and engineering office: 3D cutting and machining, three-dimensional measurement, 3D scanning and reconstruction, models, molds, pre-series and industrialization.

[www.groupepr.fr](http://www.groupepr.fr)

France

### DEPESTELE SARL / TEILLAGE VANDECANDELAERE

#### Sales Manager

Flax processing. Design, manufacture and marketing of flax reinforcements.

[www.groupepepestele.com](http://www.groupepepestele.com)

France

### CURVE WORKS

#### Director

Manufacturer of composite kits for large structural applications such as moulds, boat hulls and superstructures, architecture and prototyping using adaptive moulds.

[www.curveworks.nl](http://www.curveworks.nl)

the Netherlands

### DIAGER INDUSTRIE

new

#### Sales Manager

Diager Industrie specializes in the design and manufacture of cutting tools

[www.diager-industrie.com](http://www.diager-industrie.com)

France

### DANOBAT

#### Managing Director DANOBAT FIBRA

Advanced machining solutions for critical components of the landing gear and aircraft engines (rotor, stator and main shafts) are supplied to OEM-s and the leading airlines world-wide.

[www.danobat.com](http://www.danobat.com)

Spain

### DIALEX SAS

#### Sales Manager

Specialists in technical fabrics and composite material transformation processes.

[www.diatex.com](http://www.diatex.com)

France

## Preliminary List of Exhibitors Composites Meetings 2025 - 02/09/2025

### DMM - CLM

#### Sales Manager

Specialist in the study, production and repair of large-scale molds (up to 50 tonnes and 6 meters in length) intended for the transformation of plastics and composites

[www.dmm.fr](http://www.dmm.fr)

France

### DOPAG FRANCE

#### Sales Manager for the West Sector

Precision distribution and dosing of single and multi-component viscous and pasty liquid products

[www.dopag.fr](http://www.dopag.fr)

France

### DUKANE IAS FRANCE

new

#### Director

Dukane is a global supplier of plastic assembly systems

<https://www.dukane.com/>

France

### DUQUEINE ATLANTIQUE

#### Supply and Customer Relations Manager

Manufacturing of high-performance composite parts

[www.duqueine.fr](http://www.duqueine.fr)

France

### EDALIS

new

#### 3D PRINTING Technical Sales Representative

Composite tooling and machining, 3D printing, Aeronautical supplies

[www.edalis.net](http://www.edalis.net)

France

### ELYOTEC

#### CEO

Industrial laser projection solutions for positioning assistance in 3D environments

[www.elyotec.com](http://www.elyotec.com)

France

### EPSILON COMPOSITE

#### Sales Engineer

Carbon-epoxy pultruded profiles; Finished products made from pultruded profiles

[www.epsilon-composite.com](http://www.epsilon-composite.com)

France

### EUROMERE / GROUPE GAZECHIM

new

#### Sales

Manufacture of all products based on polyester and vinylester resin (gel coat - Mastics - glues - Resins - coatings - machinable pastes - Barrier coat...).

[www.euomere.com](http://www.euomere.com)

France

### EUROPE TECHNOLOGIES

#### Sales Manager

Industrialization and manufacturing of composite and metal parts and assemblies, design and manufacturing of machines and robotic cells integrating our processes: surface treatment, welding, cutting, assembly, machining, sanding, etc.

[www.europetechnologies.com](http://www.europetechnologies.com)

France

### FABRICA MACHINALE SRL - ROBOTICOM

new

#### Sales Area Manager

Drive productivity and innovation with our cutting-edge robotic systems designed for your industry's unique needs

[www.roboticom.it](http://www.roboticom.it)

Italy

## Preliminary List of Exhibitors Composites Meetings 2025 - 02/09/2025

### FAIRMAT

#### Sales Recycling Director

Fairmat recycles carbon fiber composites for reuse in composite material applications for a positive global impact.

<https://www.fairmat.tech>

France

### FERONYL SA

#### Business Developer

Specializing in ultra-light mechanical components. Manufacturing of lightweight thermoplastic composites, polymers (PEEK, PAEK, PEI, PPS, PPSU, PSU, PA), metal alloys (MIM), ceramics (CIM) and plastic injection.

[www.feronyl.com](http://www.feronyl.com)

Belgium

### FIBER PROFIL S. L.

new

#### R&D Manager

Design and manufacturing of composite profiles by pultrusion process

Spain

### FONDERIE LEMER

#### Head of Design Office

Manufacturer of low-melting alloy parts for the manufacture of hollow and complex composite parts. Design and manufacture of fusible cores.

[www.fonderie-lemer.com](http://www.fonderie-lemer.com)

France

### GACHES CHIMIE SPECIALITES

#### Sales & business manager

Distributor of composite materials and chemical solutions; Cutting, drilling, grooving and CNC on core materials; Polyester resin, epoxy, Polyurethane; Reinforcements and prepregs carbon fibers, glass, linen, aramid...

[www.gaches.com](http://www.gaches.com)

France

### GAZECHIM COMPOSITES FRANCE

new

#### Commercial Manager

Distributor of advanced composite materials : woven fabrics or sewed fabrics, prepregs, core materials, resins (epoxy, polyurethane, epoxydes, silicones), vacuum products, insulation glass fabrics covered with aluminum or silicone enducted

[www.gazechim-composites.fr](http://www.gazechim-composites.fr)

France

### GDP

#### Commercial Director

Specialist in the production of profiles in composite materials using the pultrusion process, we offer a wide range of services from study, calculation, design to industrial production.

[www.gdp-sa.fr](http://www.gdp-sa.fr)

France

### GEBE2 - EUROPE TECHNOLOGIES

#### Sales Manager - GEBE2

Robotization of finishing processes on metal and composite parts (machining, drilling and micro-drilling, deburring, chamfering, sanding, weld shaving). Rapid handling, packaging of food products by robot.

<https://gebe2-et.com/>

France

### GROUPE CARBOMAN - MULTIPLAST

#### Managing Director

Studies and production of tools and parts in composite materials in the aeronautics, defense, nautical, naval and construction sectors. Large-scale production means.

[www.carboman.eu/fr/](http://www.carboman.eu/fr/)

France

### GROUPE MKAIR

new

#### President

Manufacturing of high-precision mechanical parts in small and medium series for the aeronautics, defense and space sectors

[www.mkair.fr](http://www.mkair.fr)

France

## Preliminary List of Exhibitors Composites Meetings 2025 - 02/09/2025

### HALCYON

#### CEO

Manufacturer of lightweight structural parts for transport. Implementation of aluminum sandwich materials with complex 3D shapes.

[www.halcyon-performance.com](http://www.halcyon-performance.com)

France

### HBP GROUP

#### Technical Sales & Key Account Manager

Design, industrialization & production of ceramic components (CMC-OCMC), technical ceramic solutions and fixing solutions for composite materials.

[www.g-hbp.com](http://www.g-hbp.com)

France

### HEATHCOAT FABRICS LIMITED

#### Sales Manager

World Class manufacturer of technical textiles & meshes including 3D Spacer fabrics. Supplying an extensive range of performance textiles including off the shelf fabrics and bespoke customer solutions

[www.heathcoat.co.uk](http://www.heathcoat.co.uk)

United Kingdom

### HERONE GMBH

new

#### Managing Director

We develop and produce ultralight composite profiles to enable to go beyond limits. With struts, shafts, and pipes we focus on the next generation lightweight solutions to transfer loads, movements, and fluids across industry sectors.

<https://herone.de/>

Germany

### HEXCUT SERVICES / GROUPE GAZECHIM

#### Sales Manager

Cutting of Composite Materials

[www.hexcutservices.com](http://www.hexcutservices.com)

France

### HUGUET INGÉNIERIE

#### CEO

Study and manufacturing of production equipment: machines, robots, automation

[www.groupe-huguet.fr](http://www.groupe-huguet.fr)

France

### ICAM OUEST

new

#### Head of Business Services

Collaboration with companies to meet their needs in engineering, innovation, research and development as well as continuing or professional training.

[www.icam.fr](http://www.icam.fr)

France

### IMCD FRANCE SIEGE

#### Business Unit Manager Advanced Materials France

Distributor of specialty chemicals. Complete range of high-quality raw materials for the composites industry (glass and carbon reinforcements, polyester resins, catalysts, core materials, prepregs, adhesives, etc.)

[www.imcdgroup.com](http://www.imcdgroup.com)

France

### INDUSTRIAS DELTA VIGO, SL

#### International Sales Director Aeronautics

Delta Vigo has 4 factories in Spain and a total area of 100,000 m<sup>2</sup> to undertake - 100% in-house - all manufacturing processes for capital goods and flight components in high-capacity facilities and a state-of-the-art machinery park.

[www.deltavigo.es](http://www.deltavigo.es)

Spain

### IOKÉPLASTIC

new

#### Sales and Development Director

Plastics processing company specializing in the design, industrialization, and marketing of plastic-based solutions. Expert in bio-sourced materials, with a focus on biopolymers.

[www.iokeplastic.com](http://www.iokeplastic.com)

France

## Preliminary List of Exhibitors Composites Meetings 2025 - 02/09/2025

### IPC CENTRE TECHNIQUE INDUSTRIEL DE LA PLASTURGIE ET DES COMPOSITES

#### Expert Business Developer

Technical Center for Plastics: Production of direct parts and mold elements in laser fusion; Production of direct parts and mold elements in continuous 5-axis UGV; Design, production and prototyping of MID products...

[www.ct-ipc.com](http://www.ct-ipc.com)

France

### IRT JULES VERNE

new

#### Business Developer

Research and innovation center dedicated to advanced manufacturing technologies for composite, metals and hybrid structures

[www.irt-jules-verne.fr](http://www.irt-jules-verne.fr)

France

### ISOMATEX SA

#### Business Development & Marketing Director

World's leading producer of enhanced volcanic rock filaments (FILAVA TM) for composite materials and technical textiles.

[www.isomatex.com](http://www.isomatex.com)

Belgium

### JEC GROUP

#### Director of JEC Magazine

Service Company - Press - Communication

[www.jeccomposites.com](http://www.jeccomposites.com)

France

### JEDO TECHNOLOGIES

#### Sales & Purchasing Director

Cutting and machining by abrasive water jet: All types of materials: composites, elastomers, foams, soft materials, metals - Thicknesses from 0.05 mm to > 300 mm

[www.jedotechnologies.fr](http://www.jedotechnologies.fr)

France

### KNAUF INDUSTRIES

new

#### Sales Manager

Manufacturer of packaging and technical plastic parts: honeycomb molding, injection, thermoforming and extrusion.

[www.knauf-industries.com](http://www.knauf-industries.com)

France

### KREON TECHNOLOGIES

#### Commercial Director

3D metrology. Manufacturing of 3D measurement solutions with and without contact.

[www.kreon3d.com](http://www.kreon3d.com)

France

### LAP LASER GMBH

#### Sales manager

Laser projectors for the production, machining and processing of composites; Manufacturing of composite parts by laser projection

[www.lap-laser.com](http://www.lap-laser.com)

Germany

### LE CRENEAU INDUSTRIEL

#### Sales Manager Europe

Designer and manufacturer of large, customizable 3, 4, 5-axis machining centers for high-speed machining of soft materials (aluminum, plastics, composites, sandwich panels, etc.).

<https://www.creno.com/>

France

### LEADGO EUROPE SAS

#### Site Manager

Sale of vacuum consumables for infusion and oven/autoclave cooking

[www.leadgotech.com](http://www.leadgotech.com)

France

## Preliminary List of Exhibitors Composites Meetings 2025 - 02/09/2025

### LOUISON INDUSTRIES

#### Technical Sales Representative

Manufacturer and finisher of textiles, woven, dyed, coated, adhesive and cut for all sectors of activity.

[www.louison.com](http://www.louison.com)

France

### MODUL TECH

#### CEO

Prototype and industrial modeling. Study and production of molds, models, mock-ups, all industries / Prototypes and models manufacturing for various industries

[www.modul-tech.com](http://www.modul-tech.com)

France

### MATRASUR COMPOSITES

#### Business Manager

Leader in a variety of processes including projection, RTM casting/injection, PU projection, thermoforming.

[www.matrasurcomposites.com](http://www.matrasurcomposites.com)

France

### MULTISTATION SAS

#### Business Manager

CAD/CAM, Simulation and New Technologies in Design and Manufacturing

[www.multistation.com](http://www.multistation.com)

France

### MÉCANIUM

new

#### Director

MECANIUM is a testing center for materials resistance and characterization of the mechanical behavior of structures.

[www.mecanium.fr](http://www.mecanium.fr)

France

### NORD COMPOSITES

#### Manager France

NORD COMPOSITES is a producer and formulator of resins, gel coats, adhesives, and pigment pastes. We are a family business with 35 years of experience in the market.

[www.nord-composites.com](http://www.nord-composites.com)

France

### MINISTERIE VAN BUITENLANDSE ZAKEN

#### Chief Representative

The Ministry of Foreign Affairs (BZ) makes our Kingdom safer and more prosperous and is committed to a fair and sustainable world.

<https://www.netherlandsandyou.nl/web/france> ie Netherlands

### NOVA CARBON - MANIFICA

new

#### Co-founder & CEO

Production of high value-added semi-finished products based on recycled carbon fibers

[nova-carbon.com](http://nova-carbon.com)

France

### MODELAGE MÉCANIQUE BRITSCH

#### Business Manager

Design of automotive and aeronautical shaped tools, Mechanical modeling, Large-scale 3 and 5-axis machining, Assembly and mounting of tools, Design model - Prototyping, Control means and models.

[www.modelage-mecanique-britsch.fr](http://www.modelage-mecanique-britsch.fr)

France

### OMÉGA SYSTÈMES, WEB INDUSTRIES

#### Marketing & Communications Manager

Cutting, draping and preforming of composite materials: dry fabrics, impregnated fabrics, environmental fabrics

[www.omega-systemes.com](http://www.omega-systemes.com)

France

## Preliminary List of Exhibitors Composites Meetings 2025 - 02/09/2025

### ORATECH - EUROPE TECHNOLOGIES

#### Operational Director of Engineering and Service

Machining of composite materials without delamination (carbon fiber thermosets, thermoplastics) up to 4.5\*3\*1.5m. ORATECH supports you in your industrialization projects for metal and composite parts.

<https://oratech-et.fr/>

France

### PLASMABOUND LTD

PlasmaBound provides a step-change technology, termed Controlled Polymer Ablation (CPA), which facilitates the structural adhesive joining of lightweight materials, namely carbon and glass fibre reinforced composites.

<https://www.plasmabound.com/>

Ireland

### PÔLE EMC2

#### Operations Manager

Competitiveness center for composites materials

[www.pole-emc2.fr](http://www.pole-emc2.fr)

France

### PORCHER INDUSTRIES

#### Communications Manager

Porcher industries, is an international group dedicated to the development and production of innovative products, combining textiles and chemistry for multiple industrial application for many markets.

[www.porcher-ind.com](http://www.porcher-ind.com)

France

### RESICARE - MICHELIN ENGINEERED POLYMERS

#### Business Explorer

Study, formulation and manufacture of non-toxic and bio-sourced resins

[www.resicare.com](http://www.resicare.com)

France

### ROCHLING INDUSTRIAL NANCY

#### Business Development Manager

Fabrication of composite boards and machining. Fabrication of composite compression parts: SMC/BMC and pultrusion.

<https://www.roechling.com/>

France

### ROTH COMPOSITE MACHINERY GMBH

new

#### Sales and Project Manager

Roth is an international manufacturer of energy and sanitary systems with offices worldwide. We offer established brand products in a three-stage distribution channel.

[www.roth-composite-machinery.com/de/](http://www.roth-composite-machinery.com/de/)

Germany

### SAMARO

#### Composite Range Manager

Distributor of glues and adhesives, molding silicones, resins and composites for industry.

[www.samaro.fr](http://www.samaro.fr)

France

### SAT THERMIQUE

#### Marketing Department

Designer and manufacturer of standard and custom industrial thermal equipment. Rental and sale of used thermal equipment.

[www.sat-thermique.com](http://www.sat-thermique.com)

France

### SICOMIN COMPOSITES

#### Sales Manager

Manufacturing of epoxy systems, distribution of a wide complementary range of core materials, structural reinforcements, fillers, consumables, for the composites industry.

[www.sicomin.com](http://www.sicomin.com)

France

## Preliminary List of Exhibitors Composites Meetings 2025 - 02/09/2025

<b>SIGMEO</b> <b>CEO</b> Distributor of composite structure calculation solutions in linear and nonlinear statics (Délimage). SIGMEO is developing its Simcenter digital simulation portfolio: FEMAP, NASTRAN, SAMCEF, HEEDS, STAR-CCM+, 3D <a href="https://www.sigmeo.fr/">https://www.sigmeo.fr/</a> <i>France</i>	<b>SOBELCOMP SPRL</b> <b>Sales Manager</b> Sobelcomp supports you at every stage of your composite materials project development. From computer-aided design to finishing, including manufacturing, robotic machining, and assembly. <a href="http://www.sobelcomp.be">www.sobelcomp.be</a> <i>Belgium</i>
<b>SIKA ADVANCED RESINS</b> <b>Technical Project Manager Composites</b> Development, production, and sale of epoxy resins for composites, structural polyurethane and epoxy adhesives for all types of industries. <a href="https://fra.sika.com/">https://fra.sika.com/</a> <i>France</i>	<b>SOLICO ENGINEERING B.V.</b> <i>new</i> <b>Managing Director</b> Composite Structural Engineering in the Defence, Maritime, Industry and Civil & Architecture industries <a href="http://www.solico.nl">www.solico.nl</a> <i>ie Netherlands</i>
<b>SISCO COMPOSITES</b> <b>CEO</b> Specializing in the manufacture of prototypes and small series of composite material parts. <a href="http://www.sisco-composites.fr">www.sisco-composites.fr</a> <i>France</i>	<b>SONIMAT - EUROPE TECHNOLOGIES</b> <b>Sales</b> Cutting and welding solutions for composites: - portable ultrasonic cutting and welding system - range of ultrasonic cutting and surfacing effectors - Automated cutting machines <a href="http://www.sonimat.com">www.sonimat.com</a> <i>France</i>
<b>SMAF - SOLIDSAIL MAST FACTORY</b> <i>new</i> <b>Operations Director</b> SolidSail Mast Factory is an innovative SME, winner of the France 2030 competition, which manufactures very large parts using highly automated technology. (carbon masts, intended for the sail propulsion of cruise ships and cargo ships, etc.) <i>France</i>	<b>SPHERETEX GMBH</b> <i>new</i> <b>Sales Business Developer</b> Develop and produce laminatable core materials for various kinds of composite applications for more than 25 years. <a href="http://www.spheretex.de">www.spheretex.de</a> <i>Germany</i>
<b>SNE SMM - SMM COMPOSITES</b> <i>new</i> <b>President</b> Manufacture of molds, parts and tools <a href="https://smm-composites.com/">https://smm-composites.com/</a> <i>France</i>	<b>STOPP COMPOSITES</b> <i>new</i> <b>General and Technical Director</b> Assembly solutions, structural adhesives, fastening inserts, CNC cutting machines, solid carbide and diamond machining tools. <a href="http://www.stopp-grp.oxatis.com">www.stopp-grp.oxatis.com</a> <i>France</i>

## Preliminary List of Exhibitors Composites Meetings 2025 - 02/09/2025

### STYL'MONDE SA

**new**

#### Sales Manager

An expert in thermoforming for over 65 years, STYL'MONDE specializes in the thermoforming of thick plastic parts using vacuum and pressure, as well as the assembly of complex subassemblies. Our 16 production lines, with a molding capacity of up to 2,800 x 1,600 x 800 mm, allow us to process the most common thermoplastics (ABS, ABS PMMA, ABS 'soft touch', PS, PC, PMMA, ASA, PETG, PE, PP, PVC, etc.), including transparent materials. We are able to process both virgin and recycled materials. We operate in all areas: medical, automotive (buses, heavy goods vehicles, industrial vehicles, electric vehicles), rail, aeronautics, construction and agricultural equipment, various hoods.

France

### SUCHIER SAS

#### CEO

Carbon and composite material machining

[www.suchier.com](http://www.suchier.com)

France

### TANIQ

**new**

#### Director

Filament winding and AFP design, analysis and production software, as well as robotic winding and AFP production cells.

[www.tanig.com](http://www.tanig.com)

ie Netherlands

### TEAM PLASTIQUE

#### Business Manager

Thermoforming and assemblies

[www.teamplastique.com](http://www.teamplastique.com)

France

### TECHNI MODUL ENGINEERING

#### European Sales Manager

Design and production of production means for the manufacture of composite parts / Industrialization of the manufacturing process for parts made from composite materials.

<https://www.tme-composites.com/>

France

### TENSYL

#### CEO

TENSYL is an engineering firm that has been providing consulting, structural design, and construction services for 15 years. TENSYL specializes in structures that partially or fully utilize composite materials.

[www.tensyl.com](http://www.tensyl.com)

France

### TESTIA S.A.S.

#### PDL Agency Manager

TESTIA is an d'Airbus company with over 30 years of experience and specializes in structural integrity and non-destructive testing (NDT).

[www.testia.com](http://www.testia.com)

France

### TORAY ADVANCED COMPOSITES

#### Sales Manager Europe

Advanced thermoset and thermoplastic composite materials

<https://www.toraytac.com/>

ie Netherlands

### TSUDAKOMA EUROPE

**new**

#### CFO

Manufacturing of Composite machines. Slitting service.

[www.tsudakomaeurope.com](http://www.tsudakomaeurope.com)

Italy

## Preliminary List of Exhibitors Composites Meetings 2025 - 02/09/2025

### VANGUARD CLEAN BV

**new**

#### CEO

Renowned companies such as Boeing, Airbus and Cranchi have been using it for 25 years to full satisfaction. RST-5 is cost effective, 100% solvent free, intrinsically safe and compliant with international regulations.

<https://rst-5.com/>

*ie Netherlands*

### VISIONERF

#### Sales manager

Visionerf is the French specialist in industrial vision and 3D solutions: control and inspection, sorting, and measurement.

[www.visionerf.com](http://www.visionerf.com)

*France*

### VOMBAUR GMBH & CO KG

**new**

#### Development Engineer

Producer of narrow woven textiles as base material for composites

[www.vombaur.de](http://www.vombaur.de)

*Germany*

### XENIA MATERIALS

**new**

#### Key Account Manager

Xenia Materials engineers and manufacturers high performing reinforced thermoplastic composites, formulated for Injection Mould and 3D Printing, both in pellet and filament formats.

[www.xeniamaterials.com](http://www.xeniamaterials.com)

*Italy*
