

COMPOSITES MEETINGS

10th EDITION

- 10th EDITION -

November 5-6, 2025
Nantes, FRANCE

International Business Convention
for composite materials

france.compositesmeetings.com

Organized by

General organization

Who participate?

BUYERS

Composite material users involved in supply chain, procurement, engineering and fabrication, with applications in:

- Aerospace
- Automotive
- Defense
- Nautical construction
- Rail Industry
- Constructions
- Energy
- Sports & Leisure
- Electric and electronics
- Medical devices...

Looking new producers, processors, co-contractors and partners

SUPPLIERS

Suppliers providing added value and expertise in :

- **Raw Materials**
Thermoplastic Matrix - Thermosetting Plastics Matrix - Other Matrix Stays or Cares: Carbon fibers, Fiberglass, Kevlar fibers - Shorts fibers - Staples fibers - Other stays - Other raw materials
- **Other Composite Materials**
Metal composites - Ceramics - Others
- **Transformation**
Compression SMC/BMC - Drape forming - Filament winding - Continuous impregnating - Vacuum injection - Contact Molding and projection - RTM (Resin Transfer Molding) - Sandwiches Structures - Polymerization - Thermoplastic welding - Manufacture - Fabric - Others
- **Equipment and Processes**
Design and Manufacturing - Tooling - Other
- **Design and Testing**
Design - Calculation - R&D - NDT - Material characterization - Post-graduate studies - Training - Other
