

COMPOSITES MEETINGS

- 9th EDITION -

November 15 & 16, 2023
La Cité Nantes Events Center, FRANCE

**The leading business convention
for composite materials**

france.compositesmeetings.com

Organized by:

General organization:

With the support of:

Who can attend?

CONTRACTORS:

Composite material users involved in supply chain, procurement, engineering and fabrication, with applications in:

- Aerospace
- Automotive
- Constructions
- Energy
- Medical devices
- Nautical construction
- Rail industry
- Sports & Leisure...

You want to meet suppliers and manufacturing partners!

SUPPLIERS:

- **Raw Materials**
Fibres, Nano-Reinforcements, Chemicals, Resins, Matrix, Additives, Modifiers, Fillers, Gelcoats & Coatings...
- **Intermediate Products**
Textiles & Tows, Thermosetting or Thermoplastic Semi Products, Nanocomposites, Sandwich Panels, Hybrides Structures, Cmc, Mmc, Ceramics...
- **Transformation**
Compression SMC/BMC, Molding, Impregnation, Drape Forming, Extrusion – Pultrusion, Filament winding, Manufacture – Fabric, Polymerization, Injection...
- **Equipment, Tools & Ancillary Products**
Software, Fiber Production & Treatment, Moulds, Positioning Systems, Vacuum Units, Autoclaves, Presses, Robots & Automation, Cutting, Trimming & Milling, Quality Control
- **Services & Studies**
Material characterization, Calculations, Sizing, Technical Centre, Design, Research department, Training, Prototyping, Research & Development, Recycling

You want to sell your capabilities, products or services!

Get your business meetings with contacts of your choice in just 4 steps!

- 1** Fill out a short form and provide us with **your capabilities, applications and needs**
- 2** Identify and request meetings with relevant contacts and potential partners through our user friendly program.
- 3** **Validate meeting requests** you had from other companies.
- 4** Consult **your individual schedule** of pre-planned meetings with the contacts of your choice one week prior the event.

TESTIMONIALS

Composites Meetings allows to get in contact with more potential customers from French market as one of the biggest European market in the field of composites production.

VEPLAS

Composites Meetings is a must-attend event for constructive and effective BtoB exchanges.

VESO CONCEPT

A wide range of companies and skills in the composite field. Well-targeted appointments to optimize your time.

Airbus

A very well-organized event, enabling high-quality contacts to be made with ecosystem players.

companies exhibiting
their Green initiatives

GREEN COMPOSITES

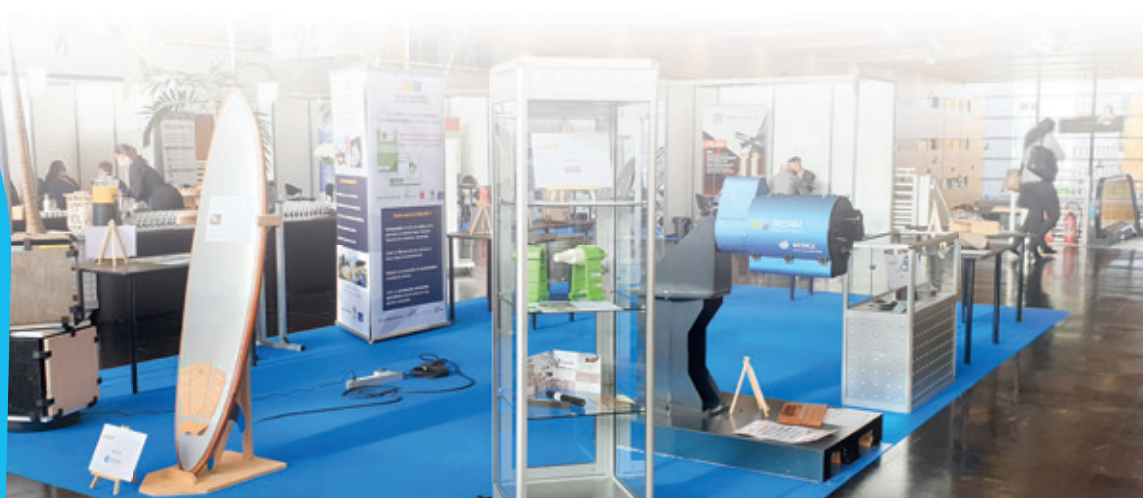

Composites Meetings is organizing this year again **Green Composites**, in order to put forward every green initiative.

Biobased composites, internal processes optimization, development of greener products and processes, solvents and VOCs reduction, energy efficiency, recycling, waste reduction & recovery, substitution of petrochemical or organics compounds with renewable compounds...

...the entire composites branch is concerned!

Take advantage of Green Composites and put your projects and/or products forward!

EMC2 Improve the competitiveness through technological innovation and collaborative work

EMC2 competitiveness cluster associates skills and professions around advanced manufacturing technologies. First French cluster in composite structural elements, it focuses on four main markets: **aeronautics, shipbuilding/oil & gas, ground transportation and energy** through a unique dimension: **advanced manufacturing technologies**.

Mission

Its main mission is to create a synergy between major industrial groups, SMEs, research centers, training centers and institutions through the conception of R&D collaborative projects.

With EMC2:

- Use collaborative innovation to become more competitive
- Develop your know-how through a multisector approach
- Find the best partners for your projects
- Reap benefits from a seal of approval that opens access to finance networks
- Make the most of a wide array of services and customized support

EMC2 key figures:

- 403 members
- Global R&D budget: 3,03 billion €
- 777 approved projects
- 426 financed projects

abe, advanced business events is a leading European organizer of business conventions or «One-to-One meetings» events, conferences, congresses dedicated to professionals in the industry.

With a portfolio of **over 120,000 clients**, we have organized **more than 1 000 events** in the here-below domains. Using our concept of pre-planned one-to-one meetings, our services continue to provide you with a number of tailored tools to facilitate identification, understanding and the penetration of new markets. ,

Our sectors:

- Aeronautic - Space – Defense
- Energy – Environment
- Packaging – Food Process
- Automotive
- Defense - Security
- Railway
- Chemistry – Pharmacy – Cosmetics
- Industry & Technologies

abe is proudly recognized in the industry as a key player whose business is to connect OEMs and suppliers through pre-arranged and business focused meetings and conferences.
